

General Set Up Instructions **Set up one frame at a time to avoid mixing pieces*

1
Straighten and connect all bungeed poles.

2
Organize all remaining poles by their numerical order & connect accordingly. **Insert any remaining reinforcement poles.**

3
Lift the frame and connect the footplates onto the frame.

4
Put on your fabric gloves and slide the printed graphic over the frame.

5
Zip up to close the cover.

Case-2-Counter

1
Insert all four poles into the bottom case lid.

2
Connect the crossbars to the four poles by snapping them together.

3
Then, insert the top case into the four poles.

4
Pull the printed graphic over the frame. Then, buckle the two straps on the top & bottom.

5
Place top lid to cover the storage area and you're all set.

Light

1
Attach metal clamp on top of wall/banner and tighten. Then, slide light onto clamp.

2
Ensure the light is switched off before attaching cord and plugging into outlet.
